21th April 2021

Dear Parent / Carer

Please find attached the Ofsted report relating to the monitoring visit that we had in February this year. The monitoring was conducted remotely via TEAMS meeting with two inspectors, the main remit was to inspect our remote learning offer during the last lock down.

As you can see the report reads very favourably, there are only recommendations for us to make further progress and both are in progress. In relation to the first we have just taken delivery of a new phonic based reading scheme and we will soon be sending you information about this as children start to use the books. In relation to the second we are progressing with plans to improve art in school and teachers were training for this with an external professional on Monday 12th April.

I hope that you enjoy reading the report and can I also thank all of you who responded to the Ofsted Questionnaire that was part of the monitoring visit. [Ofsted Monitoring - February Report](#)

Kind Regards

Mark Turner
